THE OPPORTUNITY

Three questions this engagement answers

Custom AI applications can be a real differentiator. This engagement helps you build or modernise them on a secure Azure foundation.

1

What could we build?

The AI-powered application opportunities that fit your business.

2

Is our platform ready?

An AI-readiness view of your app and developer estate.

3

How do we build it well?

A modern, secure approach on Azure's AI app services.

WHAT THE ENGAGEMENT COVERS

From AI readiness to apps in production

1

Assess readiness

We review your applications, developer practices and AI readiness.

2

Design the solution

We design AI-powered apps on Azure AI Foundry, Azure OpenAI and related services.

3

Build or modernise

We build new or modernise existing apps, integrating AI capabilities.

4

Set up to scale

Modern developer practices and a foundation to keep shipping.

WHAT YOU GAIN

Differentiated AI apps on a modern foundation

1

Differentiated apps

AI-powered applications tailored to your business.
